Summary

Mr. Vinson is a Principal at TEC and the Manager of the Central Arkansas office, which he opened in 2022. He has been involved in both public and private sector transportation engineering since 2003. His duties include project management, roundabout design, transportation planning, grant administration, and traffic signal timing. Prior to his employment with TEC, Mr. Vinson worked for the City of Conway, Arkansas as the Transportation Department Director where, in addition to serving as the City Engineer and Floodplain Administrator, he was responsible for the traffic engineering, construction, and maintenance divisions.
