Transportation Professional Certification Board, Inc.

Affiliated with the Institute of Transportation Engineers

Professional Traffic Operations Engineer

Certification Renewal

Renewal for: _____ _____ _____

(First) (Middle) (Last)

Renewal for the period from: _____ To: _____

I have reviewed the requirements for renewing my PTOE™ certification and provide the following in support of my renewal application:

Summary of professional development hours (PDHs)

earned during the period from _____to present at a professional level in traffic operations engineering. (*You must have earned 45 PDH(s) during this timeframe*.) If you have prepared a similar summary of applicable professional development hours for renewal of your state/provincial engineering license, you may attach a copy of it or the printout of your Professional Competency Record Report from the ITE Web site in lieu of completing this table. Please note that on the backside of this form are additional details concerning the renewal requirements and calculation of PDH(s).

Professional Development Activity	Date(s) Completed	PDH(s) Earned
	Total	

I certify that I have a current professional engineering license and that my professional engineering license, membership in a professional society, or employment or engagement as a professional engineer has not been suspended nor terminated for unethical or illegal actions since your initial date of certification as a PTOE™.
